

REMARKS

Favorable consideration and allowance of the claims of the present application are respectfully requested.

In the present Official Action, Claims 1-20 which are present in the above-captioned application have been subjected to a restriction under 35 U.S.C. §121 as follows:

- I. Claims 1-10, drawn to a method, classified in Class 438, subclass 707;
and
- II. Claims 11-20, drawn to the device, classified in Class 257, subclass
397.

As indicated, and in order to be fully responsive to the restriction requirement imposed in the present Official Action, applicants provisionally elect, without traverse, to prosecute the subject matter of Group II, i.e., Claims 11-20, and reserve the right to file one or more divisional applications directed to the non-elected subject matter in this application, i.e., Claims 1-10.

Wherefore, consideration and allowance of the claims of the present application are respectfully requested.

Respectfully submitted,

Steven Fischman
